## AMUSEMENTS

### SEE THE SHIMMIE AT THE BUTLER TODAY

When is a shimmy? This hybrid of the dancing art has caused more discussion, more censor, and greater interest than even the celebrated "turkey trot" and "bunny hug." The censor blasphemed it as a "movement" rather than a dance. It has been given more variations than the origin of man. And now Constance Talmadge, star of "A Virtuous Vamp," to be seen at the Butler today, describes the actual shimmy in a diagrammatic pose, with no less an authority than Gilda Gray, generally credited as the danseuse who introduced it in America, as the source of her definition. In the story of "A Virtuous Vamp," the one man who will not respond to her vampy arts and wiles is an insurance broker who enlists her aid to investigate the application for a \$50,000 policy on the shoulders of a shimmy dancer, Constance, as Nellie Jones, the "virtuous vamp," exemplifies the shimmy for the broker. To do it correctly she sought Gilda Gray, who in one of the big cabaret scenes in the production, entertains the sufferers of held-over July thirsts with a real shimmy dance. It ought to be good. A Ford Educational Weekly and a Mint and Jeff comedy will be added to the program tomorrow. Shirley Mason in the romance of a flirty girl from nowhere, entitled "The Little Wanderer," Sex is coming. Watch for it.

THOMAS O'CONNELL, returned to his home in Sparks this morning, after a visit with his brother and sister here.

## TONOPAH SPLITS EVEN IN SERIES

### Local Team Wins From Round Mountain But Hands Game to Bishop Monday

Baseball fans of Tonopah were given the biggest treat of the year in the games Sunday and Monday with the Round Mountain and Bishop teams. Tonopah broke even on the series, winning from Round Mountain in a well played game by the score of 4 to 3, while they lost to Bishop on Monday by the score of 10 to 7. The game with Round Mountain was notable on account of the good pitching of McMillen for Tonopah. The visitors were leading until the seventh inning by the score of 3 to 2, but Tonopah sewed up the game for good when Hugg singled over second, scoring two runs. After that the visitors never threatened to score, and the game was marked down on the right side of the ledger. Monday's game was even more interesting than that with Round Mountain, for it showed that the local team has the right fighting spirit. Although they presented Bishop with a lead of nine runs in the first two innings, they never stopped fighting and kept plugging along until they scored seven runs, and for a time it looked as if they would overcome the enormous lead of the visitors. In the first inning Bishop scored on Roper's two-bag, and Lee's single and in the second a combination of three bases on balls, three hits, four errors and a batman hit by a pitched ball gave the visitors eight runs. McMillen had started the game but after a few innings he had pitched the day before was unable to stand the pace, and he gave way to Brick Murphy in the second. Murphy went in with out warming up and pitched a fearful ball from the start of the third, holding the visitors to four hits and fanning 12 men.

The local team outthrew and outplayed the visitors with the exception of the disastrous second inning, but were unable to overcome the lead which Bishop had taken. Hugg and Doyle each shared three-base hits, while Roper, Brad ley, McMillen and Summers got two-base hits. McMillen pitched with three singles, while the prettiest fielding play was a running catch by Dellhide in right field.
